

### About CCAL

CCAL is an organization that acts as a cooperative and consultative institutions between individuals, businesses, public administrations, business organisations and group of clients by establishing business connections, by enforcing business collaborations, by informing on legislative and other administrative obligations on business and by organizing networking events on the benefit of the countries.

Our vision is to establish strong business connections between Albania and Luxembourg and offer the possibility to businesses to invest easily and rapidly in both countries. The Chamber is a strong player in building and keeping the bridges of business collaboration between our both countries.

CCAL goals are to support the business of Albania and Luxembourg to collaborate, to support initiatives of investment in both countries, to enhance exchange of project and business development ideas, to support growth and of tourism, to be a collaborator of the public administrations and to transmit the voice of the businesses to the public administration and vice versa. For more information about our organization, please visit [ey.com](http://ey.com).

## The Chamber of Commerce Albania-Luxembourg

Your trusted gateway to business

## Who we are?

The Chamber of Commerce Albania-Luxembourg is a cooperative and consultative institution which promotes business collaboration between the two countries. It is located in Luxembourg and it is represented by its Board of Directors.

## What we offer?

1

Individual membership is dedicated to physical persons who do not represent a business. This type of membership provides the opportunity for individuals to get in contact with business representatives for setting up a future business or for finding employment opportunity. The benefits that are provided are invitations in the activities of the Chamber of Commerce, access to the latest news and information and networking and references. The fee for Individual Membership is EUR 30 per year.

2

Legal entity membership is dedicated to all types which are set up as a legal entity and are represented by their legal representatives. This type of membership gives rights to CCAL's members such as access to our database, business promotion and support, access to the latest news, information, events and trends, consultancy, networking and references. The fee for Institutional Membership is EUR 500 per year.

3

Strategic Partner membership is dedicated to privileged businesses of all types which are set up as a legal entity and are represented by their legal representatives. This type of membership gives access to the members in all the services of the Chamber of Commerce that are available for strategic membership plus additional tailor-made services which are decided on case by case basis depending on the business needs of the Strategic Partner. The fee for Strategic Partner is EUR 5,000 per year / or any material contribution to be offered with the both parties agreement.
