

## About CCAL

CCAL is an organization that acts as a cooperative and consultative institutions between individuals, businesses, public administrations, business organisations and group of clients by establishing business connections, by enforcing business collaborations, by informing on legislative and other administrative obligations on business and by organizing networking events on the benefit of the countries.

Our vision is to establish strong business connections between Albania and Luxembourg and offer the possibility to businesses to invest easily and rapidly in both countries. The Chamber is a strong player in building and keeping the bridges of business collaboration between our both countries.

CCAL goals are to support the business of Albania and Luxembourg to collaborate, to support initiatives of investment in both countries, to enhance exchange of project and business development ideas, to support growth and of tourism, to be a collaborator of the public administrations and to transmit the voice of the businesses to the public administration and vice versa. For more information about our organization, please visit [www.ccal.lu](http://www.ccal.lu)
